

IMPORTANT - HOW TO USE THIS FORM

This form has been designed with the purpose of saving you time and expediting your request for a visa to Brazil. To ensure that your visa application goes as smoothly as possible, please pay attention to a couple of simple pointers:

*** FILL YOUR INFORMATION IN BEFORE PRINTING THE FORM**

Please use your mouse to click on each individual field and then use your keyboard to enter your information in. By doing this, you will be helping us expedite your application by preventing possible handwriting recognition problems. You can also use the TAB key in your keyboard to quickly move through the fields.

*** PRINT YOUR FORM AFTER YOU HAVE ENTERED YOUR INFORMATION IN**

You will need to print your form after you have finished entering your information in. Your information will not be sent through the internet - you will need to either bring or send your form in to the Consulate-General of Brazil in Los Angeles. Please refer to our website (<http://www.brazilian-consulate.org>) for more information.

*** CHECK THE INFORMATION YOU HAVE ENTERED**

It is suggested that you check your form entries carefully before deciding to go ahead and glue your picture and sign it. We remind you that, once you submit your application, you will not be able to change any of the information you entered.

*** GLUE YOUR PICTURE ONLY AFTER YOU HAVE COMPLETED YOUR FORM**

We suggest that you first print your form and check the information contained in it before gluing your application picture to the form. This should prevent you from finding a mistake in the form after you have glued your picture, and thus having to arrange for a new picture.

*** DO NOT FORGET TO SIGN YOUR FORM AFTER YOU HAVE PRINTED IT**

After you have successfully filled your application using your computer, it is necessary to print the form and sign it. Applications that are not signed will be immediately rejected.

*** GATHER ALL NECESSARY MATERIALS ALONG WITH YOUR APPLICATION**

Make sure that you have provided all the other necessary documents along with your filled application. Please refer to our website at <http://www.brazilian-consulate.org> for more information on other documentation you might need. Also make sure that you have provided for the respective application fees.

**Visa applications are processed as soon as possible.
However, we do not offer expedite or same-day service.
(It may take up to 10 business days to process your request)**
